Conditions for a membership application

Any person who wishes to become a member of Saturn must comply with the following conditions and terms to be considered for membership of Saturn.

- The applicant must have been an active member of the Saturn discord for longer than a week.
- The applicant must not have violated any rules of Saturn in the past.
- The applicant must be vouched for by at least 1 other Saturn member.
- The applicant has shown proof that they are not in any 6b6t related server besides Saturn.
- The applicant is not a part of or associated with another group/organization in 6b6t.

An applicant's application may be halted by a trusted member if requested. Applicants must answer any request or questions asked to them by the person assigned to their verification.

Conditions of being a member

To remain a member of Saturn one must be active on 6b6t for a minimum of 4 hours a week and be open for contact 4 days of the week (unless permitted by an administrator for special circumstances). A member will not send an image related to Saturn or 6b6t without the permission of their assigned supervisor. Newcomers of Saturn are not allowed to talk to each other, as a newcomer you are only allowed to talk to non-newcomers, and as a non-newcomer you are allowed to talk to newcomers and fellow non-newcomers. Any contact with a non-member that is associated with 6b6t is forbidden unless permitted by the administration. As a member you will complete the tasks that are assigned to you and will not talk "sideways" to other members. As a member you will not talk to fellow members in a VC unless a member of the administration is in the VC or has allowed you in the VC. As a member of Saturn, you will not ask or talk for sensitive information without asking your supervisor for permission. As a member of Saturn, you are not allowed to be part of another 6b6t related server or be associated with another 6b6t group/organisation. As a member you will listen to higher ranks. As a member of Saturn, you will not leave the server or the group unless permitted by the administration. As a member you will not be manipulative nor lazy in your work. As a member you will also not have any negative language against Saturn, and pretending to not have guilt is not allowed. Any disobedience of Saturn's rules needs to be reported to the administration.

New members

When you first sign this contract, you are considered a new member and you are not allowed to interact with anyone but the non-newcomers. You will be assigned a supervisor which you can ask for questions about Saturn or 6b6t. If you are displeased with the job your supervisor is doing or your supervisor went inactive/left Saturn, you may ask administration to assign you a new supervisor as soon as possible. You will remain a newcomer until the administration thinks you have done enough for Saturn to become a trusted member of Saturn.

How to sign this contract?

You (the person this was meant for) can sign the contract by replying to this message saying "I [name] hereby sign the contract to become a member of Saturn.". This will be a confirmation that you have read and agreed to the terms in this contract, as well as fulfilled the conditions to become an applicant. You will become a member by confirming to this contract.
